

SIARI

A RITZ-CARLTON RESERVE

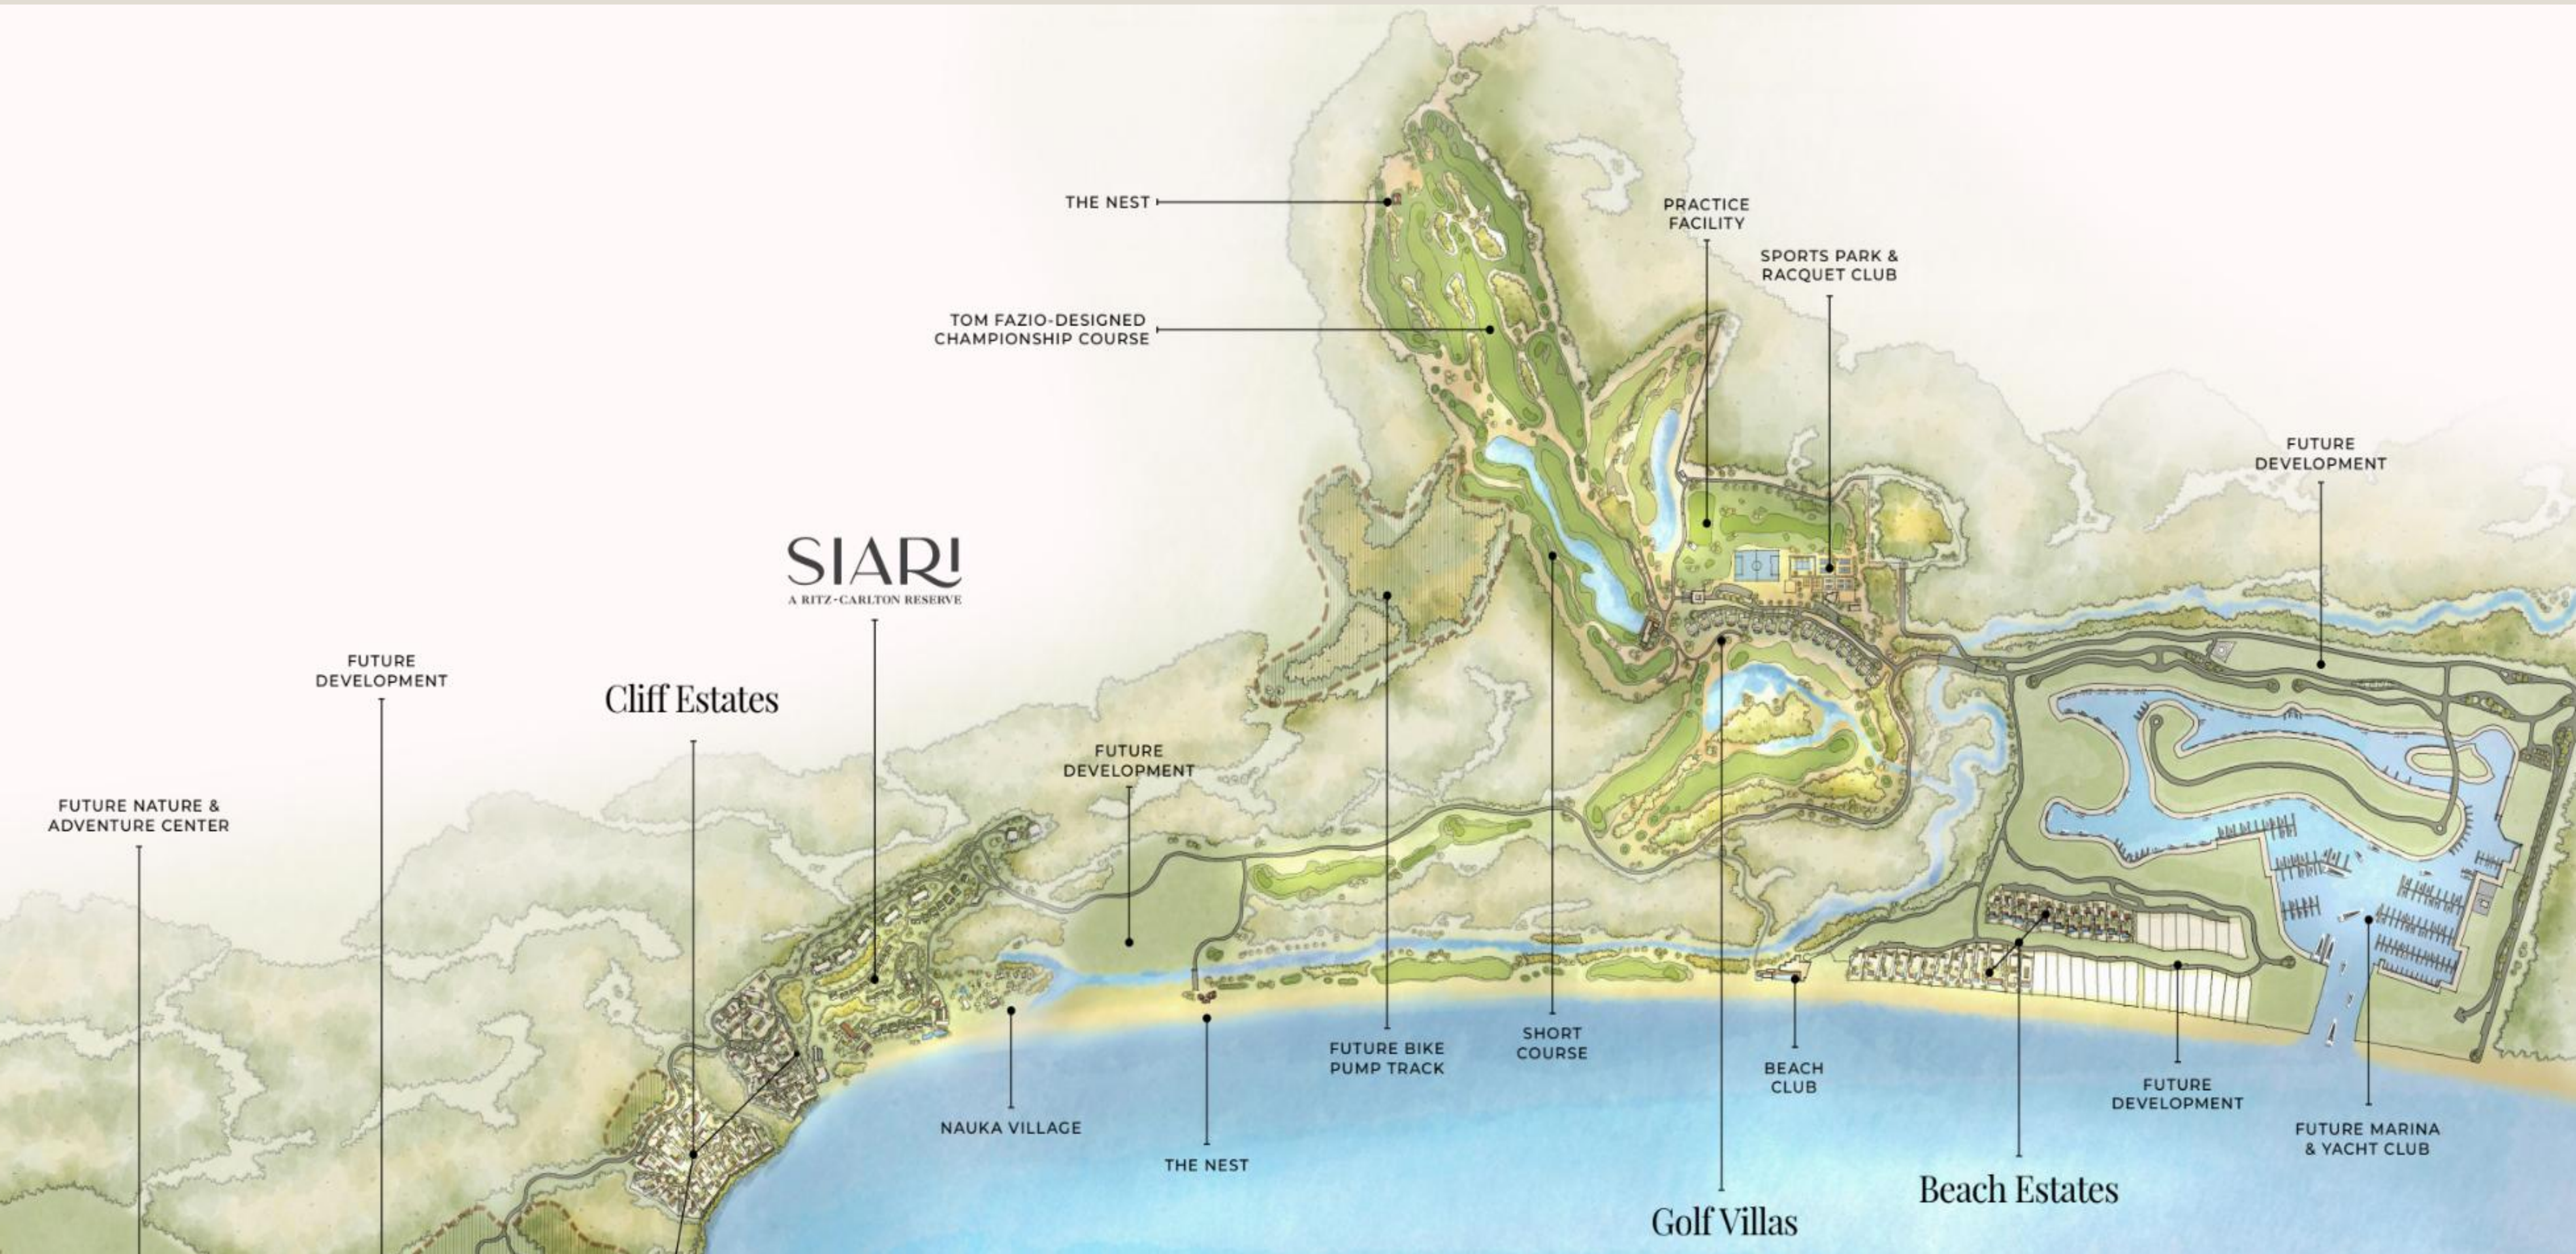

Siari, a Ritz-Carlton Reserve, sits within 890 untouched acres along México's Riviera Nayarit, at the intersection of old-growth jungle, volcanic cliffs, mangrove estuaries, and an uninterrupted expanse of Pacific oceanfront, within The Nauka Community. Opening Date: Q4 2025

So Close Yet So Far Away

Siari, a Ritz-Carlton Reserve, is easily accessible—just 45 minutes north of Puerto Vallarta International Airport via a recently constructed high-speed toll road from Bucerías, Nayarit, directly to the Nauka Community. Sharing the same latitude as the Hawaiian Islands, the resort enjoys nearly perfect weather year-round, making the area one of the most sought-after tropical destinations in the Americas.
